

# Jammin at Hippie Jack's Camping Guidelines

Campers with a weekend camping pass can start to roll in on Thursday (May 21nd) at 10AM. On Thursday evening, we will have a campers' potluck dinner party at 5pm.

Tickets will be available for purchase at the gate starting Friday morning (May 22). If you roll in on Thursday and there are people in your party without a ticket they may come with you on the condition that they get a ticket first thing Friday morning.

A Few Festival Reminders:

We try not to have too many rules (We are a bunch of hippies, after all.)

**BE PREPARED:** Be sure to bring drinking water (farm only has water for washing), sunscreen, swimsuits, bug spray, flashlights (farm is dark at night), a hat, shades, rain gear, eats and drinks, or if you like you can eat from the multiple food vendors on-site.

Bring your own chairs, blankets or sun canopies and sit where you like. There is no reserved seating available at the Sundown Stage or the Sanctuary. Remember, if you leave your chair in place and leave the concert area for a while, it's the Hippie way to share your chair until you return.

No motorized vehicles (golf carts, ATVs, side-by-sides, etc.) are allowed into the festival.

No glass allowed - cause Dick hits it with the tractor and almost put an eye out... plus it is dangerous and heavy for our crew to remove.

No fires directly burning on the ground or digging holes! Contained cook fires such as hibachis, grills or propane cook stoves are okay. Bring a fire extinguisher, and keep it handy. Please don't dig holes, the horses use the fields when the festival is not going on.

No pets. Sorry, we do not allow pets - of any species. If you need a place for your pets to stay during the weekend, there is a really nice boarding kennel close to the festival. Call Copyright Pet Resort to make your reservations at 931-528-8007. (Service animals are of course welcomed)

**BE NICE:** Hippie Jack's is the counter culture life—a real community built on helping each other, learning from each other, and loving each other. Leave the violence and hate outside the gate!

No Politics, No Drama. We're here for music, community, and fun. Let's keep the conversations light and the energy high.

No weapons of any kind permitted on festival grounds.

No fireworks or any explosive devices are allowed on festival grounds.

No generators in Scrappytown - and please keep use of generators to a minimum in other areas of the campgrounds as a courtesy to your neighbors.

Park vehicles inside your camping area to conserve space and leave pathways clear.

**LEAVE NO TRACE:** All that should be left behind are the echoes of your sweet songs. Keep it clean and help and encourage others to do the same—both on the farm and in the real world. Remember, we use the farm for the grand-kids, dogs and horses to play and graze throughout the year. Dispose of anything that might make the kids or animals sick.

Don't throw cigarette butts, nicotine pouches, or vapes on the ground or in the river. (Yes people, I've seen it done.) It's not good for the horses, grand-kids, or the environment. Plus it hurts Hippie's back to pick these up after the festival is over.

Keep your campsite clean - use trash and recycle bins properly.

**BE RESPONSIBLE:** This is a family-friendly event! Alcohol is permitted, but we ask everyone to be discrete and considerate of others in every respect. Remember, **NO GLASS IS ALLOWED!**

Under-age drinking will not be tolerated (we will call your parents).

No one under the age of 18 can camp or attend without an adult chaperone.

Wristbands must be worn at all times. If you don't have a wristband you will be asked to purchase another or leave.

The festival is held on private property and we reserve the right to ask you to leave. (If you act up, kill the vibe, or are a creep you will be kicked out)

FYI: The festival is held on a rural farm and cell phones will NOT work. We will have a guest wifi network set up for communication purposes and have a landline phone available at the front gate.

ALTERNATE DIRECTIONS WHEN EXITING: Due to the narrow gravel roads to and from the festival grounds, when leaving the festival please exit to the LEFT. It is only a few miles longer and it will help keep everyone safe on the gravel road. The alternate directions will be provided when you exit.

**\*\*VERY IMPORTANT\*\***

If you are going to camp in Riverside or Scrappy Town - please note only vehicles (RV's) smaller than 25ft\* will be allowed into this camping area (or at our discretion & weather permitting) Vehicles will not be allowed to leave the lower river camping area until your departure—This is part of our main festival area and we want to keep everyone safe! \*If you are longer than 25ft you will camp in the RV camping area.
